

Yoku Children Choir

London 2012 Inspired Program

Specialising in opera singing and culture excellence, YoKu choir delivers a series of vocal training, choral rehearsal and cultural activities in schools. The renowned soprano and vocal coach Shaw Fu is expertise in developing children's singing potential to perform a selection of pieces to illustrate the art of Asian songs.

Our aim is to provide equal opportunity with children, to develop their interest in music, skill in opera singing and knowledge in cultures. Based on school's specific requirement /schedule, a variety of programs can be organised as follow.

Intensive program

Provide general introduction or in-depth training on selected topics. Duration may vary depending on school's requirements.

Regular program

Provide lessons in schools on regular basis, e.g. weekly choir sessions.

All-in-one package

Flexible programme based on schools' requirements, regular session can be organised quarterly / annually, in combination with a few intensive tutorial prior to performance.

Generously supported by the BCC UK Ltd. and Stockport council
